

# Color Chart

For the interpretation of detoxified Material

Color or Particle	Material or Area of the Body Being Detoxified
Black	Liver
Black Flecks	Heavy Metals
Brown	Liver, Tobacco, Cellular Debris
Dark Green	Gall Bladder
Orange	Joints
Red Flecks	Blood Clot Material
White Cheese-Like Particles	Most Likely Yeast
White Foam	Mucous from Lymph System
Yellow-Green	Kidneys, Bladder, Urinary Tract, Female/Prostate Area

Note: This color chart has been used by homeopaths for a number of years. It is not based on scientific fact. It has been widely published and distributed. Many manufacturers and practitioners have presented it as accurate and factual. There is no real scientific basis or supportive studies to validate that these colors or particles originate from the respective organs depicted.
